Company Introduction

Land Metal Industry L.L.C : Located in Dubai Industry City Area – Dubai was established by a group of professionals who have over 20 years of experience sitting at different levels (engineering, manufacturing, sales and management). They felt that, in order to increase the need to provide good services, a company composed of professionals must be created with the aim of providing diversified services that focus primarily on all types of metal fabrication, especially steel.

The company was established to supply state-of-the-art fabricated steel which serves all areas of furniture with all its derivatives and decoration in all its designs. The industry is equipped with the latest design and detailing software to ensure the accuracy of its engineering personnel's output in addition to the expertise of its current employees

We make supply different types of metal furniture (Home-Offices-school-Hospital-decoration) ,To complete the whole structure, We also do a different types of miscellaneous steel to complement our main structures such as ladders, staircases, caged ladders, handrail and others.

Our workforce excels in managing and delivering accelerated projects led and supervised by your diverse and knowledgeable design and engineering team that effectively executes work in reference with ISO procedures in quality management (ISO9001:2015), environmental management system (ISO14001:2015). The unique and flexible project management system ensures a positive result.

Our Commitments

Our Vision

- To provide our customers with outstanding service. This is achieved by the use of an entrenched quality management system, manufacturing flexibility and competent, qualified staff, who settle for nothing less than total quality in all our services.
- To be committed to provide ongoing training for our most important assets, our people. In this way we attain our objective while ensuring constant growth

Our Mission

- To provide an excellent service to our clients, by giving them their principal position in the business and by treating them with integrity and honesty they deserve.
- To deliver quality service on time and at the convenience of our clients.
- To always use quality material to give our customers value for their money.
- To train young professionals who wish to operate in the same industry

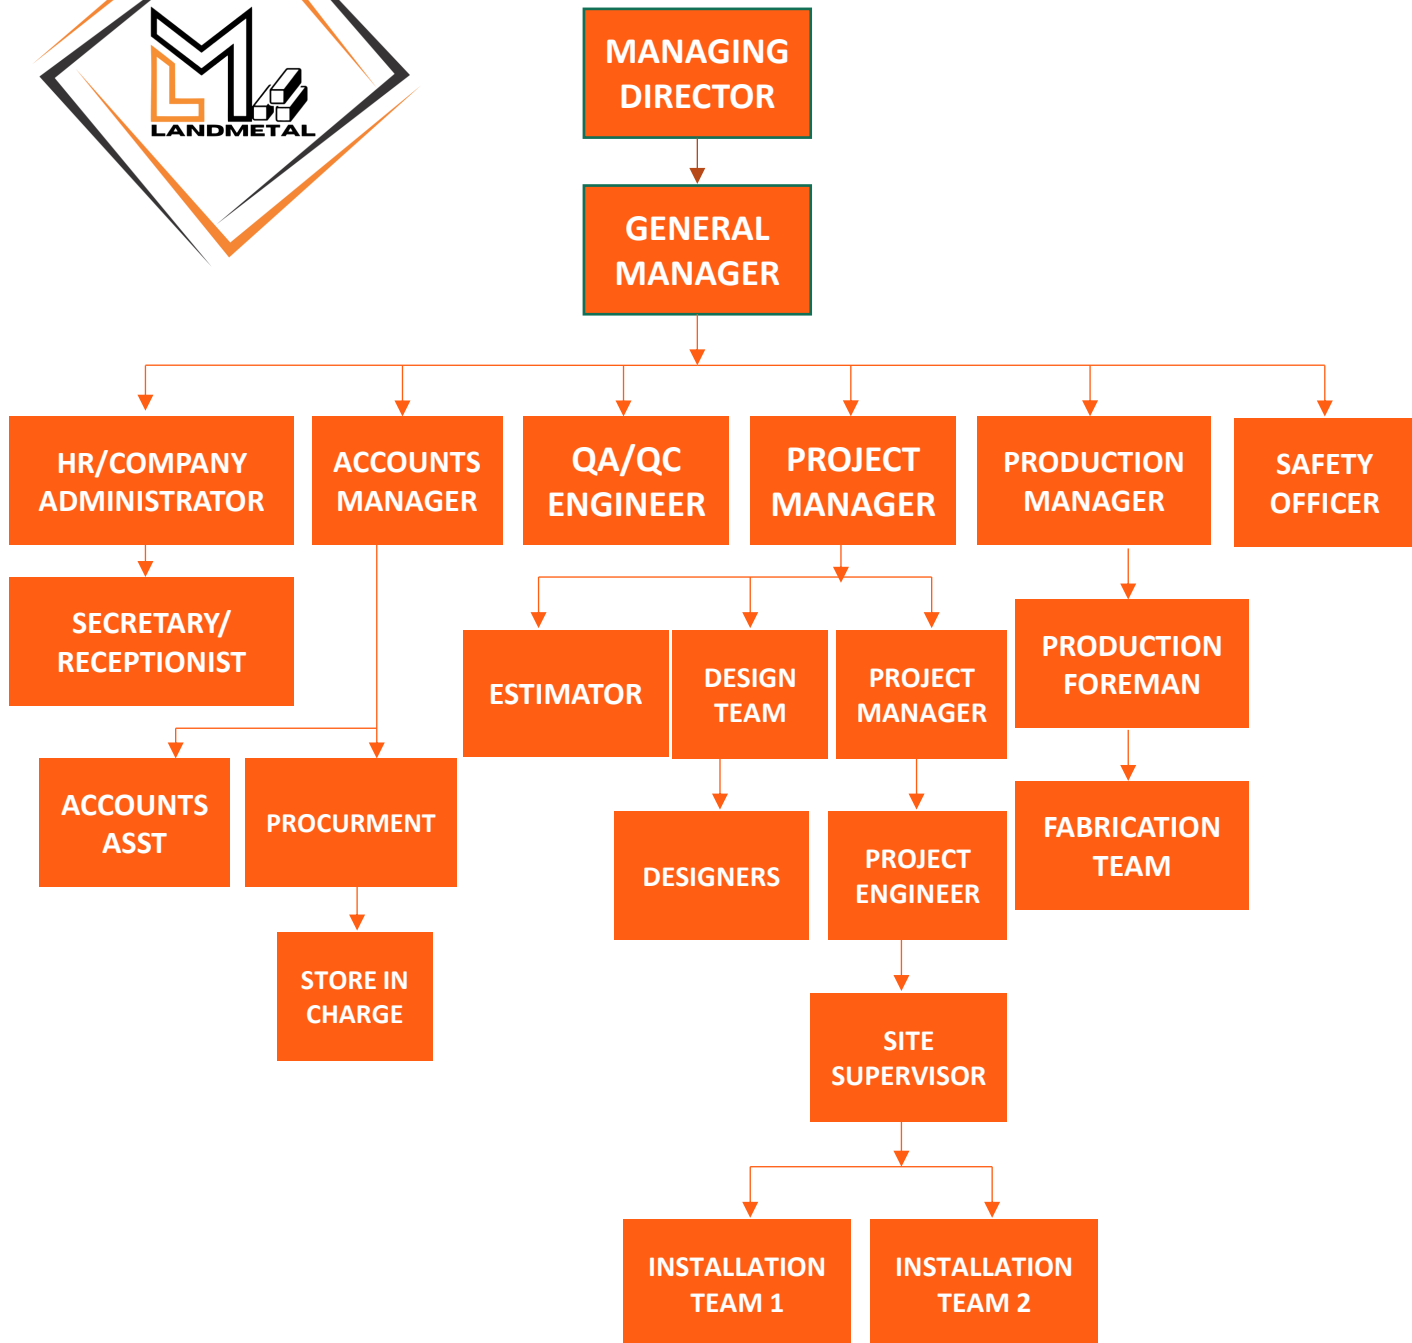

Our Values

We value excellence, trust, Respect, empowerment, accountability and mutual relationship. Consistent quality services, Consistent innovation and No substitute for quality.
